

Plan summary

This table will be automatically populated to provide a summary of your plan.

Goals	Targets	Challenge of practice
Increase achievement in writing R-7	<p>NAPLAN Writing shows an increase to 75% for Year 5 and 80% for Year 7 of students who achieve the NMS.</p> <p>Increase to 50% or above Year 7 students achieving SEA Band 5 in writing NAPLAN.</p> <p>Year 3 and Year 5 NAPLAN Writing shows an increase in percentages of students achieving in the higher bands from previous years.</p>	If we focus on the development and promotion of creativity during the writing process accompanied by explicit teaching of writing editorial skills we will improve the quality of writing that students produce and therefore writing achievement.
Increase achievement in reading for all students R-Yr 3	<p>50% or more of students in R-2 achieve 15 in the term 4 OLA test.</p> <p>R-2 Running records and PAT R results for Years 2-7 show an increase from 2019 in the percentage of students who achieve the SEA in Reading.</p> <p>NAPLAN results show an increased % of Year 3 students achieving SEA Band 3 or above for Reading.</p>	If we build on and enrich student prior knowledge and experiences to expand their oral language skills, particularly in the early years, we will improve student's comprehension skills and therefore their reading achievement.
Increase student achievement in the number strand of maths 3-7	<p>PAT M results for Years 3-7 show an increase in % of students achieving SEA from 2018.</p> <p>PAT M results for Years 3-7 show an increase in % of students achieving SEA from 2018.</p> <p>Years 5 and 7 NAPLAN Numeracy shows an increase of students in the middle and upper growth between tests.</p>	If we focus in Years 3-7 on developing skills and understandings of place value, student achievement in the number aspect of numeracy will improve.
