- **Student Enrolment Trends**
  Student enrolments are increasing across all year levels. This trend is expected to continue.

- **Staffing Numbers**
  46 FTE teaching staff
  18 SSO’s
  6 ECW’s
  2 ACEO’s

The School Leadership positions are organised as follows:

- Principal
- Deputy Principal.
- Assistant Principal Early Years.
- Senior Leader Pre School.
- Assistant Principal Primary 3-7.
- School Counsellor R-7
- Senior Leader Mathematics B-7
- Senior Leader Learning Technologies B-7

All Leadership positions work collaboratively across the site B-7 in the development of a cohesive structure and curriculum which supports the learning and development needs of children and students.

- **Public Transport Access**
  The school site is located on Peachey Road, Smithfield Plains and is accessible to the communities of Davoren Park, Smithfield and Andrews Farm. The extended Public Transport routes provide suitable access. The extended bus routes (461, 451 and 452) directly pass the school.
  Smithfield Railway station is also a public transport option.

2. **Students (and their welfare)**

- **General characteristics**
  The student population is increasingly diverse. We have 86 R-7 Aboriginal students and a range of cultural groups are represented across the school.
  We have 90 of our students on a Negotiated Education Plan R-7. A number of children access Preschool support which includes children in the Speech and Language Program. Students are able to access their learning needs through a differentiated curriculum. A cohesive approach to students and their learning is facilitated through the Early Years, Primary and Middle Years sub schools.
- **Student well-being programs**
  
The School Counsellor and leadership staff provide a range of school based programs on Anti-Bullying, Cyber Safety, Peer Relationships and Conflict Resolution to support our students and their well-being. Aboriginal students access a student Mentoring program. Families, children and students are able to access some support services through the Children’s Centre.

- **Student support offered**
  
  Student support across our site is coordinated through a Student Review Team. An internal review process assesses students requiring support for their learning. Special Education teachers provide support for students on a Negotiated Education Plan.

  Literacy intervention programs support special needs students. A Speech Pathologist works with students requiring speech support.

  Early Childhood Workers (ECW’s) and Student Support Officers (SSO’s) are also involved in providing specific student support. We have 2 Special Area Resource Classes based at John Hartley, to support students with disabilities. Aboriginal students also receive support through our Aboriginal Education teacher and two ACEO’s. A Bilingual Support Officer provides support for EALD students, in Dinka, Swahili and Spanish. A teacher supports EALD students in their learning.

- **Student management**
  
  The school supports students in developing an acceptance of responsibility for their own behaviour. John Hartley School works as a partnership between staff, students and their families in establishing expectations and consequences related to student behaviour.

  The behaviour code is based on a success oriented learning environment.

- **Student government**
  
  Student participation occurs through class meetings, student run assemblies and a Student Action Team which consists of representation across the school.
• Special programmes
  • Specialist Physical Education teachers provide a program across the school.
  • Science program based the Australian Curriculum.
  • Specialist Arts Program.
  • Aboriginal Perspectives program across the curriculum.

3. Key School Policies

• Site Improvement Plan and other key statements or policies:
  The Site Improvement Plan has been developed for 2015. Our core purpose is to develop confident learners who achieve their potential within a supportive school environment. Priorities for 2015 are the following:
  • Literacy
  • Numeracy
  • Learning Technologies.
  • Science
  • Wellbeing
4. **Curriculum**

- **Subject offerings:**
  In providing a supportive teaching and learning environment, the school is committed to the provision of a challenging, purposeful and balanced curriculum in Mathematics, English, Humanities and Social Sciences, Science, Technologies, Health and Physical Education and the Arts. Staff are Implementing The Australian Curriculum in English, Mathematics, Humanities and Social Sciences, Science, the Arts, Health and Physical Education. Classes are also studying Indonesian. Children in the Child Parent Centre are part of a play based curriculum with an explicit focus on Oral Language and Literacy skill development. The curriculum focus areas are developed across the site with an emphasis on knowledge and development of student learning needs.

- **Special needs:**
  There are two Special Area Resource Classes at John Hartley a Junior Primary and Primary Class. Special Education support for students occurs with Special Education teachers and SSO support according to the emphasis on the Negotiated Education Plans.
  The Student Review Team coordinates the special needs across our site.

- **Special curriculum features:**
  Learning Technologies and Science are curriculum focus areas at John Hartley. Emphasis on the foundational skills of Literacy and Numeracy continue as a strong focus across the school.

- **Teaching methodology:**
  At John Hartley School, Professional Development has focussed on Literacy, Numeracy Science and Learning Technologies.
  As a school we have engaged in exploring effective pedagogy through creating safe conditions for rigorous learning, developing expert learners and personalising and connecting learning (TfEL framework)
    - Using an inquiry approach is the basis of the 1:1 Laptop program. All students in years 4-7, either have their own laptop or are sharing a laptop.
    - We are developing methodologies to incorporate the use of technology as a tool for learning.
    - In the Early Years students are using Flip cameras and Laptops as part of their learning.
      - All areas are equipped with Interactive Whiteboards and Ipads.

- **Student assessment procedures and reporting**
  Student assessment occurs through standardized tests, diagnostic tests PAT Maths Plus, PAT-R, Running Records, Lexiles, Quicksmart and SENA-Number assessments. We report to families through:
• Open Mornings/Afternoons
• Parent/Teacher/Student interviews
• Two written reports one mid year and one at the end of the year based on ACARA outcomes.
• All Aboriginal students have an individual learning plan.
• Students with disabilities have specific goals on the Negotiated Education Plan
• Joint programmes:
  A mentoring program for Aboriginal students from Years 5-7 has been developed with Para West Adult Campus and is coordinated by the AET and ACEO's.
