John Hartley staff making breakfast for B6 students upon their return :)

Stradbroke Primary school students wrote letters to every student and adult in B6. They also donated a thoughtful gift to B6 staff :)

John Hartley says
Thank You!

Sarah from Bunnings came in and donated a bunch of things - pencils, paint, craft, pencil cases etc, in addition to the headphones immediately after the fire.

Building 6 received a donation for Anges all sorts. They sent through two bunches of flowers, 2 packets of cupcakes as well as a pair of earrings for each teacher.

John Hartley says Thank You!

Ms Everett dropped off cards and letters to the fire fighters who attended to our school during the fire. They were very excited to receive such a thoughtful gesture!

We would like to thank the following mentioned for thoughtful gestures and donations also. :)

- Zart
- Winc
- Life force health solutions
- Lime tree kids
- Teachers superstore
- Select

B6 students were extremely appreciative of Ms Everett and staff for all of their help in making them comfortable being back at school :)
